Longview Transit Safe-Ride-Home

By *shawn_hara*
Created *Dec 21 2010 - 1:57pm*
Location: Throughout Longview
Date: December 31, 2010
All Day Event: No

Longview Transit, in partnership with R&K Distributors - Your Local Budweiser Distributor, is preparing to provide a “Safe-Ride-Home” on New Year’s Eve. For the third consecutive year, Longview Transit will give free rides to anyone within Longview city limits on New Year’s Eve between 8:00 p.m. and 3:00 a.m. Rides can be scheduled by calling Longview Transit at 903-753-2287 ext.10.

Transportation service will be available to or from any Longview destination. The service is offered to the general public, including individuals that have had a couple drinks or those that simply do not want to drive that evening. The service will begin around 8:00 p.m. on New Year’s Eve and continue until approximately 3:00 a.m. the next morning. If possible, Longview Transit encourages riders to schedule trips in advance; reservations can be made starting on Monday, December 27.

According to Longview Transit General Manager Rob Stephens, “Longview Transit is proud to be able to offer this unique service for residents celebrating the New Year. We want to be able to provide a safe and easy alternative to getting behind the wheel.”

The Safe-Ride-Home initiative is made possible by the financial contribution of R&K Distributors. For more information about Longview Transit or Safe-Ride-Home, please call 903-753-2287 or visit www.LongviewTransit.com [1].
